iPad Loaner Information

2020-2021 EFSD iPad loaner protocol:

Once the EFSD technology department receives the damaged iPad and completed and signed damage claim form, the student will be assigned a loaner iPad.

Damage claim forms are located at efsd.net on the technology department page or they are available at the District Office.

This process is a one on one basis.

It is up to the parent if they would like to send the iPad into school for the iPad to be sent via interoffice mail or they may deliver the damaged iPad to the District Office, located at 401 Rock Run Road.

To ensure that the loaner iPad is ready for pick up at the same time as bringing the damaged iPad to the District Office, please contact the Technology Secretary, Paula at 412-896-2311. Failure to contact the technology department may result in the loaner iPad not available for pick up.

Please note that all student-required apps are loaded on the loaner iPad and Apple ID sign-in is not available on the loaner iPad.

If you have any other questions, please call Paula at 412-896-2311
Thank you
